

Create a Tropical  
State of Mind

## The Original Palm Island Hammock Stand

*It's Incredible!*

This revolutionay concept is more of an attitude than a hammock stand. We believe that hammocks belong on palm trees, not on cold steel bars. Yet few of us have two palm trees conveniently located for this purpose. Now for the first time, you can have the ultimate lifestyle accessory to create that tropical state of mind, whenever and wherever you choose . . . So relax, retreat and renew yourself with "The Original Palm Island Hammock Stand".
